Newsletter Issue 32

In Rob Corlett's absence on a well-deserved holiday in Sardinia, I am issuing a short newsletter mainly providing details of recent results.

However, sadly, you will have heard that Ron Burge died suddenly earlier this month and Rob has already provided a fitting eulogy. Ron's funeral is on Tuesday June 20th at the Leatherhead Crematorium at 2.30pm followed by a wake at Leatherhead Football Club.

A reminder that the funeral for Val Dodds is on Tuesday June 6th at the Leatherhead Crematorium at 1.15pm followed by a wake at Leatherhead Golf Club – if attending please advise Terry or Desta

CLUB HOUSE AND GROUNDS

Greenkeeper Jamie this week scarified the green to remove the unattractive and dark coloured moss. He will now spread a suitable dressing to stimulate the grass that has been held back by the moss.

Bob Wawman's family are providing a beautiful bench in his memory, and this will shortly be on display.

The cleaning roster and details are now available in the clubhouse – the work does not necessarily have to be carried out on any particular day plus if you cannot make a certain date please arrange a switch with another member on the rota

OTHER NEWS

Congratulations to Angie and Clive for winning their first round Family National Pairs match, but unfortunately Clive has lost both his national singles match and men's pairs.

Also, well done to Jill Hopkins (our Ladies' champion) who has won her first round match in the Champion of Champions competition run by County. With first to 21 required, she edged the final end with scores at 20-20
