#### **NEWS**

- Well done to our Fours Ladies – Carole Telfer, Angie Kendall, Sarah Campbell and Chris Little – for a remarkable victory over Cheam Fields in the latest round of the Surrey’s – 9-4 down with ends running out they had a **SIX** to take the lead then held on to win 14-12 – they play Ewell Village next Tuesday morning
- Barham Triples: these also commence on Tuesday 20<sup>th</sup> starting at 5.30 sharp. If we are to have hot sausage rolls or hot dogs or burgers each night we need some cooking volunteers to provide the food. Rob Corlett has agreed to supervise the preparation but Chris Little will coordinate the chefs but needs names of the volunteers so she can draw up a rota (she will cook on the nights she is not down to play so please text/call Chris on 07805 715529 or email [stevelittlecity@gmail.com](mailto:stevelittlecity@gmail.com) to offer help particularly if you are not selected for your team that evening
- A big thank you to Desta for organising the hilarious afternoon on Saturday followed by the excellent fish n chips washed down with our favourite tippie – to have participants trying to get their heads round the nuances of the games was a sight to see! Take a look on the website for Rob’s excellent photos

### **CAPTAINS' CORNER**

**David** – We are still struggling at times finding players for matches. Please do not hold back. We will give preference to those who have not played so often. We particularly need players for Thursday 22<sup>nd</sup> Men's three rinks at Hook and Southborough currently we have Messrs Snow, Telfer, Leese, Hamilton, Jossa, Sainsbury

Next week Surrey County players will bowl against Northamptonshire at our rink on Wednesday. Again, no prize drive sorry, but this is a good opportunity to see some good competitive bowling so come and watch.

### **THE GREEN**
