NEWS

- The Church will soon be moving to a new venue leaving the Clubhouse for our sole use
- It was great to see Mick Mackie visiting the Club last week and we wish him well with his recovery
- Jamie our greenkeeper has cut the grass lower meaning the rinks should play faster from this weekend
- From Friday evening to Monday afternoon, we are holding our Membership drive and we already have several applicants wishing to attend

MATCHES

These continue as are our internal competitions and Sue has sent a reminder re cut off dates for the first round of matches. The Club results have been as follows:

- Thursday – Ladies Triples against Ewell Village was a narrow loss
- Saturday saw the Sapphire League Ladies' game at Windlesham result in an overall loss although we did win one rink.
- The men's West Surrey League game saw a thumping victory at Windlesham and a report is below from Captain David

CAPTAIN'S CORNER

David - We are having an excellent start to the season. Last weekend we went to Windlesham, where, after I remembered Windlesham was not Worplesdon, we had an excellent result winning on all 3 rinks totalling 74 shots to 39 and thus taking the full 5 points - I think for the first time in the competition. We are now lying 3rd in the league although 2 other teams have a game in hand.

We have our first outing in the West Surrey midweek league Friday night, Hopefully, our team will do us proud.

In mixed matches, we are also doing very well and will continue to do so hopefully against a tough opposition from Imber Court on Thursday.

Just one thought. It is tending to be the same 12 to 15 people putting their names down for the mixed matches. It would be nice to see some other names there. If the list looks full, put your name down anyway, fresh players will be prioritised.

Desta – how wonderful the season is now in full swing and the weather is warming up, so we look forward to an enjoyable FULL season for the first time since 2017

100 UP

This concludes on Friday 28th with Mike Edger maintaining his outstanding form and looking the likely winner.
