### **NEWS**

- The Triples Saturday was a great success and well organised by Sue Lokkerbol who we thank for her hard work. She led the winning team with Derek Webb's team coming second so these will compete for the trophy on Finals' Day
- The warm, sunny weather has made our green much speedier, especially now Clive has mastered the sit-on iron machine! We have had trouble from a lady fox where she has deposited on the green and burned the grass. Jamie has repaired these, but more work is required to ensure they are smooth once the new turf has bedded in with Rink 4 from the clubhouse end and 5 across being affected
- This month sees the early rounds of the Surrey Bowls competitions with some success already including the Triples team of Anne Collett, Sue Lokkerbol and Jill Hopkins through to the third round with a 20-2 win against Bookham and in the Pairs Sue and Jill, Chris Little and Angie Kendall all through to their second round

### **FUND RAISING**

Thanks go to Sarah Campbell for organising the Derby sweepstake last Saturday to raise funds for the club. Crowded round the radio commentary there was much excitement as some present took the cash! Her latest sweepstake is for the football Euros which start on Friday and entry for this can be secured via the bar – good luck and you might need it if, like me, you have Finland!

## **MATCHES**

Matches are coming thick and fast with all League competitions now underway. The Club results have been as follows:

- Thursday – in a Mixed Triples we enjoyed a close match against Mole Valley Police winning two rinks of the three but a heavy defeat in the other meant an overall loss
- On Friday the Men continued their unbeaten start with a comprehensive win against Dorking in the West Surrey Midweek league – we have a strong squad that is rotated match by match
- On Monday the men started their Chrystie League campaign with two rinks both ending in draws with the overall result therefore a draw too at 29-29 – whilst our Ladies started their West Surrey Midweek League with an excellent two rink win by 38 to 34
