#### **NEWS**

- The recruitment weekend was a success as we probably have six new playing members and two social members with hopefully a few others to follow
- Whilst the COVID restrictions remain please DO NOT leave rink equipment for subsequent groups to use. You must take the items from the rink to sanitise each one
- This weekend sees our internal triples competition starting at 11am but would players who have put their name down be there before 10.45 for registration and don't forget your lunch!
- Jamie our greenkeeper has this week spiked the green, rolled and watered it so the dark moss has almost totally disappeared
- Finally, a belated congratulations to David Lok, Mavis and Chris who secured a nine-point hotshot in the recent match at Reigate Priory and thus secure an international badge of recognition for their achievement

#### **MATCHES**

These continue as well as the various Surrey competitions with mixed success. The internal competitions have already thrown up a series of surprises as they always do, and the results are on display in the clubhouse. The Club results have been as follows:

- Thursday – in a Mixed Triples we trounced Imber Court by 70 points to 36
- The men's West Surrey Mid-Week League game on Friday at Newdigate saw us win by 23 to 22 having almost surrendered a commanding lead
- Saturday saw a Mixed Triples win over Pippbrook by 72 to 59 but on Sunday we were defeated by Walton

## CAPTAINS' CORNER

**Desta** and **David** are delighted with the start of the season with an excellent match record to date and the success of the new members initiative. They would however like to see many more playing members put their names down for matches against other clubs. Not only is this a most enjoyable experience it is also a way of improving one's game in a slightly more competitive situation and to get to know more of the other members. Availability sheets are on the clubhouse notice boards

## 100 Up

***Mike "The Champ" Edger***

This has concluded and congratulations to Mike Edger on a runaway victory with Dave Telfer and Steve Little unable to be separated for second place on countback.

Our thanks to Chris for organising the event so well to kickstart the new season
