NEWS

- Unfortunately, we have not yet been fully released from Covid restrictions, but the Club is making the most of this hot, sunny weather with a host of league, county and friendly matches interspersed by our internal competitions
- Congratulations to Angie and Clive Kendall* and Sue and David Lokkerbol who have progressed to the next round of the County Mixed Pairs and these four are also through to the next round of the Mixed Rinks. We still have representation in the Ladies Triples too
- At the club the new emergency exit door has been fitted and will be followed by a ramp there and new tarmac
- We are still affected by Mrs Fox and will now put some deterrent down to persuade her to go elsewhere and in this connection could you bring any used ice cream containers or similar and leave them in the equipment shed so we can add some repellent
- * Just heard that Clive and Angie have won their latest match to continue their progress. Well done!

CAPTAIN'S CORNER

Desta – I am looking for players for the Sapphire League game on Saturday July 3rd at home to Walton – the booking sheet is in the clubhouse so please put your name down

MATCHES

The Club results have been as follows:

- Thursday – we won the Ladies match at Ashted and Mixed teams at the weekend beat Newdigate in a Mixed Triples by 62-47 and on Sunday in the Mixed Rinks match beat Horsham by a narrow 83-77

- On Friday the Men continued their unbeaten start with a win against rivals Bookham in the West Surrey Midweek League
- On Monday the men won their match against Epsom, losing one rink by one point and convincingly winning the other leaving us in second place in the league
- The Ladies drew a triples rink against Woking Park in their West Surrey Midweek League but lost the other meaning an overall loss but still picking up a point for the rink won
- There were no Saturday West Surrey League games, but the men and women remain handily placed in both leagues
