NEWS

- Congratulations to Sue Lokkerbol and Anne Collett for winning their latest Surrey Pairs match and they now face the mighty Sutton in the next round
- It is good to see some of the new members regularly playing at the club and well done to Paul Westwood (son of Audrey) who has twice won the Wednesday Prize rollups in this his first season
- Note to our Ladies – on Thursday July 1st there is a fun afternoon of three six end, and different, team games. The teams have been selected but please do come along to watch what should be an interesting afternoon
- Latest on Mrs Fox – she seems to have found a new place for business and let's hope she stays there!
- We are pleased to hear Lin Dawson is recovering well from her shoulder operation and will be joining us in the clubhouse this weekend now her isolation period is over
- Barham Triples – we currently have 34 participants and an ideal number would be around 40. So please advise Steve by email (stevelittlecity@gmail.com or 07762 226124) if you wish to play or enter your name on the list on the reception table in the clubhouse. We hope as many new members as possible take this opportunity to join in these fun team events – remember ... you will not have to commit to every date but simply confirm to your team captain your availability dates

CAPTAIN'S CORNER

David – we need a few extra names for the Men's friendly at Ewhurst on Thursday July 1st which Steve Little is organising – so please insert your name on the booking sheet in the clubhouse

Desta – could any club member, when they see a bag of rubbish help out by taking this home for disposal – thank you

MATCHES

The Club results have been as follows:

- We won the Mixed match at Ember last Thursday and then thrashed Bookham 83-47 on Sunday in another Mixed event
- On Friday the Men's Midweek League match at Ashtead was rained off but played on Wednesday when we fell to a disappointing defeat to lose our unbeaten record
- Saturday saw a West Surrey League match for the men against Knaphill with a win securing 4 points out of the 5 available whereas the Ladies in the Sapphire League won their one Triple as Knaphill could not raise another two triples thus conceding all 5 points to us
