

Leatherhead Bowling Club

Newsletter Issue 3

NEWS

- The Clubhouse is now accessible following the easing of restrictions and we can now play on all rinks. The recent announcement from Rob gives all the details
- Our normal hedge trimmer, Steve Bailey, having had a shoulder operation, is not able to complete the regular tidying of the three hedges. To contract this out is proving an exorbitant cost so the Groundlings will take over this work to save our funds and will start next Wednesday at 9.30 and a few additional 'workers' would be appreciated to help with this and the other regular jobs

MATCHES

These are coming thick and fast, and results have been as follows:

- Thursday – Ladies Triples against Cheam Fields was a narrow loss
- Saturday saw the start of the West Surrey and Sapphire Leagues. The men gained 1.5 points in a match against Woking Park winning one rink, drawing another but losing the third meaning we lost the match by four points overall. The Ladies played at Woking and were able to pick up 1.5pts too in a match that had to be abandoned due to a flooded green and lightning with the League agreeing a points- shared situation
- Tuesday saw a Mixed team beat Epsom Court by 35 points to 20 with two Triples
- Wednesday – another Mixed match at Reigate Priory saw four Triples and a win by 79 points to 71 although we lost three of the rinks – the victory helped by one of our rinks winning 33 to 10!

INTERNAL COMPETITIONS

A reminder that some of the early rounds are due to be played by June 1st so please organise these soonest. The **winner** of matches to email Sue Lokkerbol on sue.lokkerbol24@gmail.com or telephone/text to 07799187789

100 UP

We have three evenings left and a large number have completed the required minimum of five rounds. The winner and runner up will be decided by the best 5 round scores and then, if a tie, countback based on the next highest scores for each player. Mike Edger is currently leading with Clive second, but much can still happen!
