

## *Leatherhead Bowling Club*

### *Newsletter Issue 1*

In order to keep members advised of events at the club including results of matches, it is intended to (hopefully!) produce a weekly newsletter and here is the first edition.

\*\*\*

The season is now well underway with the 100 Up, the Wednesday Roll Up plus our first two, albeit 'friendly', matches against other clubs – our first for almost 20 months.

The Men's three rinks hammered local rivals, Bookham, on Saturday by 73 points to 35! Always a satisfying result to beat them but they will offer stronger opposition in the future – of that we can be sure.

On Sunday our Mixed team edged to a notable victory over a strong Supreme side with the scores tied on 44 points each, but we took the honours by winning two rinks to one with the whole match outcome dependent on the last bowl.

#### **100 UP**

This continues on Monday and Friday evenings when you must register with Chris Little at the club before 5.30 with the teams then drawn and matches starting at 5.45.

With inclement weather last Friday, no event was held but over three previous events there are two with maximum points, your Men's captain and vice-captain, with Jill Hopkins 100% from two matches. The winner will be the player with the best FIVE scores over the period of the event which lasts throughout May ending on Friday 28<sup>th</sup>

#### **WEDNESDAY ROLL UPS**

These are underway commencing at 2.30 and the first event had a full complement of attendees whilst the second was badly affected for numbers by the rain with this week's yet another full complement. Don Matthews has kindly agreed to organise.

## **MATCH/ROLL UP FEES**

For April, match/100 Up fees were collected at the end of the month but from May 1<sup>st</sup> the £2 per event should be paid to the day's captain or organiser – it is possible to pay across the bar provided the captain/organiser are informed. Those who played on Saturday 1<sup>st</sup> and Sunday 2<sup>nd</sup> have been advised to pay the respective captains for those days when they can.

It has been agreed that there will be NO Match Fees for away matches.

## **INTERNAL COMPETITIONS**

Thank you for all those who have entered. The draw will shortly be completed by organiser Sue Lokkerbol.

## **GREYS OR WHITES**

For the time being with Covid regulations as they are, **greys** are required for all matches.

## **FORTHCOMING MATCHES**

On Saturday the 8<sup>th</sup> the Ladies visit Hook and Southborough whilst on Sunday a Mixed team plays Cobham at home.

Next week there are two home friendly matches with a Mixed team against Ewhurst on Tuesday and the Ladies against Cheam Fields on Thursday.

All these matches commence at 2.30pm

We hope you enjoy this update to add to your club bowling experience.
